Questions: Contact OHFA at help@ohfa.ca

The Heritage Fairs Program is a multi-media learning initiative developed to increase public awareness and interest in Canadian history. The Ontario Heritage Fairs Association offers students the opportunity to explore the many aspects of their Canadian heritage in a dynamic learning environment and to present the results of their efforts, in either French or English, in a public exhibition. The program is non-competitive in nature, with an emphasis on the importance of the learning process and the exchange of ideas.
